

**Thank you to all our supporters and donors. Our work isn't possible without you.** Your support allows WPS to provide resources for adults as they adapt to the immediate loss of a spouse/partner as well as the adjustments that follow in months and years ahead. Funded entirely by donations, **at no charge for participants**, WPS offers educational support groups facilitated grief workshops, outreach volunteer opportunities, varied forms of social support and guidance from experienced volunteer group leaders as well as peers. Thank you for your support that restores lives across our community.

**Grief Support Meetings**

***“So Where Do I Belong? It Seems Like I Don't Fit Anywhere Now That My Spouse Died!”***

Evening Zoom Support Group  
Tuesday, **July 7th** at 7:00 pm

The meeting ID is 861 3697 3690 and the Passcode is 083243.

If you have not read the book “Getting to the Other Side of Grief”, contact the WPS office for a copy. How do you forge out of that difficult, unwanted territory and feel accepted and worthwhile again?

If you have any questions, you can email at [szsrdv@gmail.com](mailto:szsrdv@gmail.com) or phone Susan at 616-780-1082 and/or Bob 616-780-5433.

WPS invites you to participate in its monthly ONLINE educational grief support group. Do you ever feel like a puzzle piece that won't fit anywhere you've tried to place it? You've attempted a gathering with your couple-friends and maybe felt like an awkward appendage with no place to land. Or perhaps you don't really have many single friends because you were mostly intertwined with your couple friends. Or it could be you and your spouse preferred doing things as a couple without spending much time with other people.

Whatever your particular case, now you feel like a fish out of water trying to find a pond occupied with others to jump in so you can survive the pain and uncomfortable feelings of loneliness, isolation, and depression. So, without your other half, your kindred spirit and best friend, you don't think you belong anywhere.

Come, join us and the WPS group to get some helpful suggestions of ways to begin to become part of things and reconstruct your life sharing ideas with others who are also on a similar journey. Our best wishes as you navigate your way through grief. Facilitated by Dr. Susan Zonnebelt-Smeenge (psychologist) and Dr. Bob DeVries (pastor, seminary prof emeritus).

### **Our Mission**

Widowed Persons Service (WPS) is organized exclusively for the purpose of offering supportive services to those individuals in Kent and Ottawa Counties who have suffered the loss of a spouse through death.

### **Our Vision**

To provide actively grieving widowed adults a safe and healthy environment in which to process their grief, resulting in an enriching life as a single person.

### **Our Process**

WPS offers each grieving individual peer-to-peer support based on the belief that a widowed person is best helped along his/her grief journey with the help of other widowed people who have had similar experiences.
